Reach Job Candidates More Effectively with Employer Profile and Job Clip Videos!

Get the emotional impact of audio and video with the interactivity on the IEEE Job Site.

[Employer Profile Videos](#) communicate key benefits and gain greater visibility and exposure with a customized, quality Web video about your company right on the IEEE Job Site's home page.

How it Works:

- Gather the material you'd like to include in your video in the formats listed on the [Employer Video Specs Sheet](#)
- Send us your materials using our [Employer Intake Form](#)
- Our producers will then send you a proof of the Employer Profile Video for your approval, before appearing on the IEEE Job Site.

JOB CLIP VIDEOS

Create a dynamic Web video based on your job posting to bring candidates directly into your work environment. Best part, you don't have to do a thing. Our dedicated video professionals will create your [Job Clip Video](#) using the information you include on your job posting.
