

The IEEE Dielectrics and Electrical Insulation Society is a global community of leading innovators who explore how technology drives industry and impacts modern society and business — both today and tomorrow. IEEE Electrical Insulation Magazine includes articles on dielectrics and insulation systems in industrial, commercial and power systems equipment.

**Our Audience – Your Customers**

Professionals rely on IEEE Electrical Insulation Magazine for work-related information and solutions. They are working at the companies you want to reach, including:

- Siemens Energy, Inc.
- Doble Engineering Company
- ABB Corporate Research
- BC Hydro
- General Electric Co
- Kinectrics, Inc.
- Schneider Electric
- Cargill, Inc.
- Hydro-Quebec
- Phenix Technologies, Inc.

**Key Products**

- CAD Engineering
- Computer Software and Hardware
- Diagnostic Systems
- Dielectrics and Electrical Insulation Programs and Courses
- Dielectrics and Electrical Insulation Reference and Textbooks
- Electrical Test Equipment
- Electrostatic Products and Services
- High Voltage Equipment (Cables, Switchgear and Transformers)
- Metering and Instrumentation
- Motors and Generators
- Power Electronic Systems
- Process Automation and Control Systems
- Reliability and Condition Assessment
- Semiconductor Devices
- Wiring and Cable
