

# Energywise

Market your brand and your products to an expert community focused on energy and green technology issues. The monthly IEEE Spectrum Energywise Newsletter delivers the latest expert perspectives and analyses on power, climate change, alternative energy and green technology directly from the IEEE Spectrum Energy and Green-Tech channels.

The IEEE Spectrum Energy Channel puts all the latest energy developments in perspective, featuring interactive calculators, blogs, videos and more from our vibrant Energy Channel delivered exclusively to the IEEE Power and Energy member community.

### Coverage Areas/Topics

- Renewable/sustainable energy
- Energy Development
- Power Generation
- Smart Grid

### Markets/Industries Served

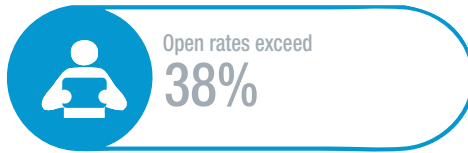

Power/Energy, Computer, Telecommunications

### Frequency

Monthly

### Reach a Highly Engaged Audience

Our focused publications make it easy for you to support specific marketing initiatives and build awareness among a highly engaged audience of decision makers who use e-newsletters as a key resource when comparing and evaluating suppliers.
