

The Bridge Magazine reaches the members of Eta Kappa Nu (IEEE-HKN), the first honor society within IEEE. Members comprise a global community of undergraduate, graduate, faculty and professionals who explore how technology drives industry and impacts modern society and business — today and tomorrow.

The Bridge Magazine allows you to tap into the best and the brightest students, faculty and practicing engineers. The Bridge Magazine is issued in a digital format.

## Subscriber Base: 9,800 Frequency: 3x per year

Reach the largest concentration of high-tech professionals in the field:
